

Frances L. Flannery, Ph.D.

New York State, USA (citizenship) and Nova Scotia, CANADA

frances@bioearth.org

I am an interdisciplinary researcher working at the intersections of biblical/religious studies and contemporary challenges, especially environmental catastrophe, violent extremism, identity conflicts, and humankind's relationship with non-human animals and the more-than-human world.

In this time of unprecedented climate crisis, I am motivated by the conviction that transformative research can help to create a paradigm shift of sustainable peace.
